I spoke to Mr Trevelyan about this case. He says that there is no objection to the payment of the pension to Mrs. Krumbiegel or her Sisters as the families of internees may live on their means when they have the necessary means to do so. The payment of minimum allowances applies only to destitute families of internees. There is no need therefore to withhold the pension payment to the pension sanctioned for Mr Krumbiegel to receive the same.

Re: Payment of Mr. Krumbiegel's emoluments to his daughter.

...

When I discussed with the Dewan yesterday the procedure in regard to this matter, I was under the impression that the pension of Mr. Krumbiegel was being paid direct from our Treasury. From enquiries since made, I find that his pension is being paid at the Mysore Bank, and that the Mysore Bank holds a general Power of Attorney on the authority of which the Bank itself draws his pension without any separate voucher signed by him every month, and credits it to his current account with the Bank. The pension due for July 1940 appears to have been already credited to his current account by the Mysore Bank accordingly. I am given to understand by the Law Secretary that we cannot interfere with the Power of Attorney given by Mr. Krumbiegel in favour of the Bank, especially if it is coupled with interest, i.e., if the Bank holds a lien on it for any of its dues, etc. Mr.Krumbiegel himself too is not, I think, in a position to revoke the Power of Attorney without the consent of the Internment Authorities. Further, as the transactions are carried on through a Bank, I feel it would not be advisable for Government to issue any instructions in regard to this pension payment to the Bank

As it is understood, however, that Mrs. Simon is in urgent need of help, I have authorised the Comptroller to pay her a sum of Rs. 250/- every month until further orders and treat it as an advance

When Mr.Krumbiegel was interned on the first occasion, the question of payment to his daughter Mrs. Simon of a portion of his pension was considered and two courses of action were suggested by the Imperial Bank of India. (Flag Z) Thereafter he was released and so no further action was taken.

The position at present is the same as it was at the stage prior to his release. The two courses suggested by the Bank are still the only possible courses open. Mr.Krumiegel is an ememy in internment and any payment to him will be payment to an enemy. 1619

Mr.Krumbiegel may be asked which of the two courses he prefers. It is not known under what circumstances a power of attorney was given by him to the Bank of Mysore, whether it is the usual power enabling the Bank to collect his pension and thus save him some trouble or whether the Bank has any interest coupled with its agency. But it is not very material for the present purposes since the only two courses open are set out by the Imperial Bank which is the Agent of the custodian of enemy property even in Mysore.

There is of course the extreme course of reducing the pension due to Mr.Krumbiegel to Rs.250/- under the powers which undoubtedly vest in Government and to pay the balance of Rs.250/- to Mrs.Simon. But such action may not be necessary as one of the two courses suggested by the Imperial Bank appears to serve the present purpose.

Pending receipt of a reply from Mr.Krumbiegel, payment of his pension to the Bank of Mysore may be stopped.

As per instructions of the Dewan, I sent for Mrs. Simon and explained to her the position. I pointed out to her that the Mysore Bank has now a general power of attorney under which the Bank draws Mr. Krumbiegel's pension and credits it to his current account with the Bank and told her that if she wanted any payment to be made to her, necessary action has to be taken by Mr. Krumbiegel by addressing the Mysore Bank and the Imperial Bank so that the amount of his pension may be credited to the "Blocked" Account to be opened for him and by executing the necessary authority under which Mrs. Simon can operate on the account. I mentioned to her that under this arrangement she would be permitted to draw essential maintenance requirements in consultation with the Agent.

She said that Mr. Krumbiegel would be asked to address the Mysore Bank and the Imperial Bank and also Government in the matter very shortly. A letter has accordingly been received from Mr. G.H. Krumbiegel and placed in this file for perusal.

The Comptroller will be asked to take further action in the matter and to deduct the amount already paid to Mrs. Simon from Mr. Krumbiegel's pension before it is credited to the Blocked Account in the Imperial Bank.

Dear Sir,

I am desired to state that Mrs. G.B.D. Simon, daughter of Mr. Krumbiegel, has addressed this Government regarding the payment of pension to Mr. Krumbiegel and to inform you that this Government propose to authorise the Comptroller to pay the pension to the Mysore Bank who may pay Mrs. Simon on the authority given by Mr. Krumbiegel. I am to enquire whether there is any objection to the above proposal.

Yours sincerely

SECY LAW DEPT. 1939 GOVT OF MYSORE

Dear Mr.Subrahmanya Aiyar,

G.H.Krumbiegel.

With reference to your D.O. No.1764/LB of the 28th October, I do not think the proposed payments to the Bank of Mysore Ltd. will serve any useful purpose as Mr.Krumbiegel's account with that concern must remain "blocked".

Agents of the Imperial Bank of India have been given discretion to permit withdrawals from internees' accounts with them for the essential maintenance of the latter's families but the discretion has not so far been passed to Agents of other Banks. Mr.Krumbiegel has no account at the Imperial Bank of India, Bangalore.

I suggest that one of the following courses be adopted:-

(a) Payments may be made to the Commandant, Central Internment Camp, Ahmednagar direct or through this Office for credit of Mr.G.H.Krumbiegel who can himself arrange for the maintenance of his family under the supervision of the Commandant,

o r

(b) Payment may be made to the Imperial Bank of India, Bangalore for credit of a "blocked" account to be opened for Mr.G.K.Krumbiegel. Provided the latter executes the necessary authority under which Mrs.Simon can operate on the account, Mrs.Simon will for the present be premitted to draw essential maintenance requirements in consultation with the Agent.

Course (a) is likely to prove the most satisfactory as there appears to be a move to concentrate internees' funds with the Commandant of the Camp. Certain accounts at this Office are in course of being transferred to the Commandant and Mr.Krumbiegel's might also have to be transferred.

Yours sincerely,

C.Subrahmanya Aiyar,Esq.,B.A.,B.L.,

Town Improvement Work

Passes orders re. the utilisation of the services of Mr. Krumbiegel, retired Director of Horticulture and Consulting Architect for the execution of———in Municipalities.

ORDER NO.L.2676-87/Ml.103-37-1 DATED 11TH SEPTEMBER 1937.

A provision of one lakh of rupees has been made in the State Budget for 1937-38 for grants for public improvements to Town and Minor Municipalities in the State. Some of these municipalities have also schemes of improvement to be financed from their own funds. Government consider it necessary that steps should be taken to see that the money is well spent and the schemes of improvement are subjected to expert scrutiny before they are carried out by local officers in the Districts.

Mr. Krumbiegel, retired Director of Horticulture and Consulting Architect to the Government of Mysore, has kindly consented to place his technical knowledge at the disposal of Government and to advise local officers regarding important schemes of town improvement (other than drainage and water supply works) that may be under consideration.

Government are pleased to sanction the following special rates of travelling and daily allowances to Mr.Krumbiegel when travelling on this duty:—

(1) For every full day that he is on tour, a fixed batta of Rs.15 notwithstanding part of the time is spent in travel on that day.

(2) When travelling by car, road mileage at 6 annas a mile even when the places visited by him have railway connection.

(3) When travelling by railway, single First Class fare instead of the usual fare and a half.

The cost will be debited to the Town Inprovement grants sanctioned during the current year.

The Deputy Commissioners of Districts are requested to consult Mr.Krumbiegel freely and obtain his advise in all matters pertaining to the improvement of towns and villages. It is also suggested that the easiest way for the Deputy Commissioners or the Sub Division Officers would be to go round the towns or villages in their respective jurisdictions with Mr. Krumbiegel and take his technical advise regarding the works on hand or in contemplation and avoid correspondence as far as possible.

The Deputy Commissioners of Districts are also requested to forward to Mr. Krumbiegel a list of improvement schemes about which they would like to consult him and simultaneously submit a copy to Government for information.
